

## **Full Stack Developer | Technology Educator**

25 years old · Brazilian · Single

☐ Email: isabela676@gmail.com

☐ Phone: +55 (44) 9 9842-80993

☐ Umuarama/PR - Brazil

I'm a teacher and developer with over 7 years of experience teaching programming, robotics, and technical disciplines in the technology field. I work on preparing students for the IT job market and developing personal web development projects. I hold a Bachelor's degree in Information Systems, with postgraduate studies in Digital Forensics and Educational Technology. Currently, I am a CAPES fellow in the Talento Tech Paraná program and pursuing a degree in Computer Science Education at UEL, focusing on training educators in technology.

### **Professional Experience**

#### **Teacher | SEED - State Department of Education**

Feb/2023 – Present

Teaching in the Technical Course in Systems Development. Subjects include Mobile Programming, Databases, Computational Thinking, Front-end and Back-end Development, Logic Programming, and Robotics.

Technologies: Python, JavaScript, HTML, CSS, Scratch, Arduino, Construct, Figma

#### **Full Stack Developer | Freelancer**

Aug/2024 – Present

Freelance full stack development for various projects including web systems, e-commerce platforms, and responsive applications. Personal and outsourced projects.

Technologies: React.js, Next.js, Node.js, TypeScript, Tailwind CSS, Styled-components, Vercel, Python, Vite, Git, GitHub, Figma

#### **Tutor | UNIPAR – Paranaense University**

Dec/2022 – Apr/2023

Tutoring in the Information Systems and Data Science programs. Supported students through the virtual learning environment, clarified questions, graded assignments, encouraged forum participation, and coordinated with academic staff.

Tools: Moodle, Institutional Communication, Higher Education, Information Systems, Data Science

### **Technical Support | Mhnet Telecom**

Jun/2020 – Apr/2022

Worked in network monitoring using Zabbix and provided technical support for the field team. Configured and maintained ONUs and OLTs in GPON networks.

Technologies: FTTH, ONU, OLT, Zabbix, GPON, NOC

### **IT Assistant | Hospital Cemil**

Feb/2019 – Jan/2021

Provided user support, maintained computer networks and infrastructure, and offered technical assistance for hospital systems.

Skills: Help Desk, Computer Maintenance, Networking

### **Computer Teacher | Youth Center (Centro da Juventude)**

Jul/2019 – Jan/2020

Taught computer and robotics classes for children and teenagers, focusing on logical thinking and digital skills.

Technologies: Arduino, Scratch, Microsoft Office

## **Education**

### **CAPES Fellow | Talento Tech Paraná – UEPG**

**Aug/2024 – Jun/2025 (ongoing)**

Supplementary training with a focus on applied technologies, innovative project development, and partnerships with IT companies.

### **Bachelor's in Computer Science Education | UEL – State University of Londrina**

**Aug/2024 – Aug/2027 (ongoing)**

Education degree focused on teaching methodologies and didactics for computing and technology in basic and technical education.

### **Postgraduate in Digital Forensics and Cyber Investigation | UNOPAR**

**Jan/2023 – Oct/2023**

Specialization focused on digital evidence analysis, cybercrime investigation, and forensic techniques in digital environments.

### **Postgraduate in Information Technology in Education | UEL**

**Aug/2023 – Jun/2025 (ongoing)**

Specialization focused on integrating digital technologies in educational contexts, active methodologies, and innovation in teaching practices.

### **Bachelor's in Information Systems | UNIPAR**

**Jan/2017 – Dec/2020**

Comprehensive training in systems development, databases, networks, software engineering, and programming logic.

**Additional Information**

Languages

Portuguese – Native

English – Upper-Intermediate (B2 level according to the Common European Framework of Reference for Languages - CEFR). Skilled in technical reading, oral communication, and academic/professional writing.
